

Easter Week- Some extra detail.

	<p>We begin our Easter journey this Holy Week with Palm Sunday Services at St James and St Eds at 10.30am. Let the drama unfold as we begin our adventure to Easter with Jesus entering Jerusalem. Get ready to hear the familiar story afresh and notice the words and phrases that catch you attention this year. How might God be speaking to you and bringing you new life + hope?</p>
	<p>On Thursday night we will gather at St Edmund's only at 6.30pm. Please do all come along. We will consider how Jesus shared bread and wine with his friends, establishing the way we are to remember him. Come and eat and drink- Jesus' body broken for us and the blood of the covenant. We will be washing feet and pondering Jesus our servant king. Such fantastic a sensory service to engage our faith. Come just as you are – a friend of Jesus – or one hoping to know Jesus more.</p>
	<p>Time to walk the streets of Moss Side!</p> <p>Join our Churches Together friends in unity as we walk the Good Friday walk of witness. Let's carry the cross high and be present in the community. We set of from Christ Church, Monton Street at 10am.</p> <p>Check out the green advert in this newsletter for the full details.</p>
	<p>St James - 11am after the walk we gather for a reflective ecumenical service that I hope will be poignant and powerful. Hearing the drama of the cross and considering amidst all the suffering the mighty act of love and God's saving work. Come along and enjoy this service followed by hot cross buns.</p> <p>Grace Community will be exploring '7 Words from the Cross' with different folk speaking about these. 2pm worship, 3pm exploration of Jesus words – communion and a special dinner to follow.</p>
	<p>Easter Day will be greeted with celebration as we gather for our 10.30am services at both churches. Bring friends and family and enjoy this special Easter service where we can sing God's praises and sense a full measure of LIFE + HOPE. Jesus is risen – He is alive – death has been defeated. Come along one and all.</p> <p>4pm Grace Community Celebrate together – a joyful service to experience for all.</p>
